

# Center for Judicial Ethics

## Ethics Awareness Month Weekly Tip

As we are all aware, we currently live in a Gotcha! Society. Assume that, as a judge, everything you say or do will be subject to intense scrutiny and press and social media coverage and could go “viral” within seconds.

So think twice (or even thrice!) before you send that email, share that photograph, or write or say something you wouldn't want to see on the front page of tomorrow's newspaper.

### **Sample disciplinary orders:**

[Disciplinary Counsel v. Burge](#) (Ohio 2019)

[Matter of Russell](#) (Maryland 2019)

[In the Matter of Laurie A. Booras](#) (Colorado 2019)
